- AR Due Friday, March 18
- Friday, March 18 — Last day of Q3

# The Brady Bunch Bugle

MONDAY, MARCH 7, 2016

MISS ANNIE BRADY

## Classroom News:

### Reading:

Last week in reading, we finished up our unit on compare and contrast and reading the genre of myths. This week we will begin Unit 6 Cause and Effect. This week we will complete Unit 18 in word work and next week we will complete Unit 19. **AR is due Friday, March 18.** As a reminder, AR is worth two test grades in the reading gradebook. One test grade for points completion, and one for comprehension. It is VERY important stu-

dents complete their 20 minutes of reading for homework nightly.

### Writing:

Last week in writing, we introduced the genre of informational writing. This week we will continue studying this genre. Students will begin to brainstorm topics they want to research.

### Math:

Last week in math, we introduced Unit 5 Probability and Data Analysis. This is a short unit, we will take the Unit 5 Test

Thursday, March 17.

### Science:

This week in science, students will begin working on Earth Science Chapter 2. They will also begin preparing for the Challenger Field Trip! The Challenger Trip is scheduled for Thursday, April 21

## Note from Miss Brady :)

Hello, thank you so much for your support last week during ISTEP testing! This is truly a team effort and I appreciate you each and every day!

### Student Teacher:

Hi! I'm Mrs. Reynolds and I will be in the classroom for the next 9 weeks as a student teacher. I have been a guest teacher in Valparaiso for the past two years and am excited to

be finishing up my course work with Miss Brady and her awesome class!

### Family Dates:

Thursday, March 31 10:45-11:35

Tuesday, April 26 9:00-9:45

Thursday, May 26 1:00-2:15
