

Please help me get to know your child and your family!

**2015-2016 Family Survey**

I'd like this school year to be the best experience for your child! That's why I'm asking for your help. I have found that the more I know about my students and families, the easier it is for me to help meet students' individual needs. For that reason, I would appreciate if you could take time to answer the questions below. Thank you so much for your help! Please return this form to me when you have it completed.
